

To have Amazon donate to Bellflower Soroptimist when you shop at Amazon

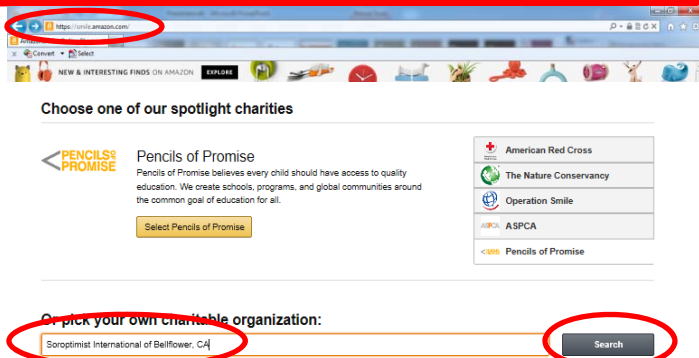

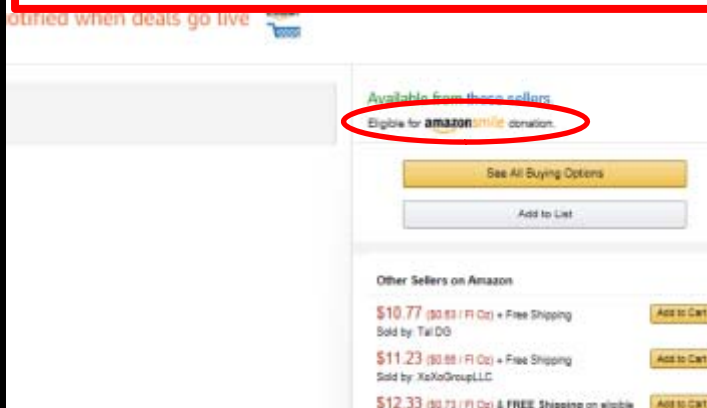

Enter this address in your web browser (or just click on it)

<https://smile.amazon.com>

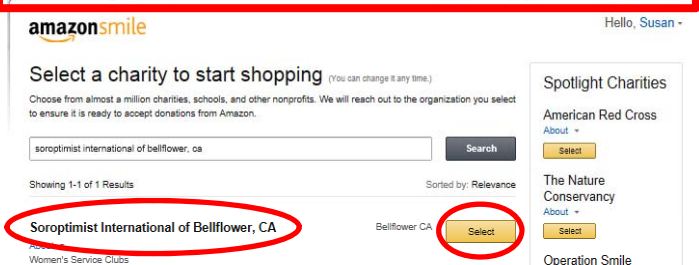

Just 3 Simple Steps!!!

- 1. Log in** - If you're not already logged in, log in using your regular Amazon info
- 2. Select your charity (1 time)** - On your first visit to smile.amazon.com, you'll be asked to select a charity
 - Enter "Soroptimist International of Bellflower, CA" in the box and hit the **Search** button

- 3. Now just shop (as often as you'd like)** - Smile.amazon.com will show whether the item you're interested in qualifies for a donation (most do).

- This will take you to the following screen. Verify that SIB is shown and hit the **Select** button.

Now, smile.amazon.com will show SIB as your charity.

Smile.amazon.com carries all of the same items at the same prices as amazon.com.

What if you'd rather shop at amazon.com?

For example, if you search on Google for an item, Google will link to amazon and not smile.amazon.

Not a problem!!

Just fill your cart on amazon like you regularly would, **BUT...before you check out**, switch your browser to smile.amazon.com and click on your cart there (all the items you added to your cart on amazon will be there). Then just check out on smile.amazon.com the same as you would on amazon.

Happy Shopping!!!
