Soroptimist International of Bellflower

April, 2016

President's Message

Susan Held

Welcome to Soroptimist International of Bellflower

Spring is here. Members are busy getting ready for our awards tea next month. Programs to create; officials to invite; certificates from State Representatives to order; caterer to confirm and awardees to invite. We are so looking forward to presenting checks to deserving women, girls and local organizations!

April 4 saw members of Bellflower Soroptimists all dressed up and attending Su Casa's tea. This tea is Su Casa's largest community fund raiser and we were honored to be able to attend and show our support. We decorated a table (got an honorable mention for it but not first place ~ darn). Check us out!

Soroptimist is a global women's organization whose members volunteer to improve the lives of women and girls through programs leading to social and economic empowerment.

We're dedicated to Service

Members of Soroptimist International of Bellflower have built a reputation of continuing service and support of women and youth in our community. Our desire to make a difference for women and girls worldwide, our willingness to work together and our positive spirit are our greatest assets.

We know that together we can make a greater change than each of us could individually. If you want to help improve the lives of women and girls; if you want to support local organizations within our community; if you want to help women around the world then you want to join Bellflower Soroptimist club because that is just what we do!
