President's Message

Susan Held

Welcome to Soroptimist International of Bellflower

This July newsletter will be our one and only newsletter issue during the summer. While we have no formal meetings during the summer but we will get together for some fun fund raisers; social gatherings and brainstorming sessions.

While we have no formal meetings, members will be working on our upcoming fashion show, set for November 5 at the Long Beach Marriott. We are excited about the change of venue and have already gotten applications for over 15 vendors to be at the fashion show.

Additionally, President Sue attended the Soroptimist convention that was held in Florida in mid-July. Almost 1,000 Soroptimists were in attendance including about 30 members of our own Region. Ideas were shared; workshops attended; and information about SIA's long term goals unveiled.

Soroptimist is a global women's organization whose members volunteer to improve the lives of women and girls through programs leading to social and economic empowerment.
