November is typically the month we give Thanks. So I'd like to give thanks to all the members of Soroptimist International of Bellflower for your time, talent, enthusiasm and heart. We have just finished our fashion show as I write this message and I must say that it is the best one we have had in years. And that is because each of you. In our club we always say: "You do what you can, when you can and how you can". That's what being a Bellflower Soroptimist is about. Each of you has done what you could, however you could, to make this event so great. I thank you for that because now we will be able to help more than ever before! Great job!!

Bellflower Soroptimists at the 2016 Fashion Show

Fashion Show attendees waiting for the show to begin!

Did you know that we did some small fund raisers already this year? We did **card making** - a professional artist came to us and gave us instruction and knowledge and materials to make all the cards we could in a 3 hour period. What a creative group of women!

We also had "**Queen For a Day**" This is where a member donates her time and talent and others pay for that talent but the money is donated to the club. For example, Nancy taught how to decorate cakes. It was so popular another class is being added. More details on this and all other "Queen For A Day" talents as more "events" done.
