September already! Where has the summer gone? While we haven't had formal club meetings, SI Bellflower has still had a productive summer. At the end of June we had a club installation where President Sue shared her theme for the coming year, "Bellflower Soroptimists ~ Making a World of Difference". The new theme represents us and what we do. Our actions and our involvement make a world of difference to those we help. So to the right, you will see the club logo. Hope you like it.

July saw President Sue representing the club at the Soroptimist Convention in Florida. August focused on a small fund raiser, followed by a brainstorming session, dinner and the installation of our newest member Lisa. Welcome Lisa! We had such a great brainstorming session and found so much more to think about, that we held a second brainstorming session at the end of August. We are off to a great start for the upcoming club year!

But that's not all! The Fashion Show is in full swing.

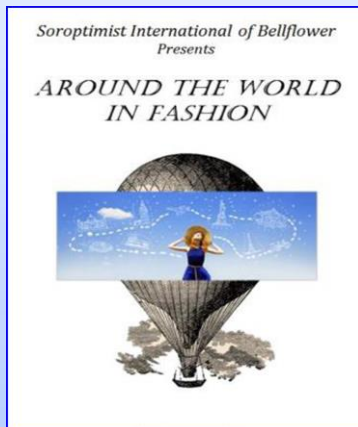

- "Save The Date" flyers were mailed out to all on our invite list.
- Many members submitted even more names to be added to the mailing list.
- The program is being worked on; advertisers are already being contacted; items for the Silent Auction baskets are being received from donors; centerpieces are being created. Plus more! Great job everyone!

Welcome to our newest member Lisa!
